

NAMI Wisconsin – 14th Annual Healing Art Show Application

Name: _____

Address: _____

Email: _____ Phone: _____

Each year, NAMI Wisconsin hosts the Healing Art Show as part of Mental Illness Awareness Week in October. The show features the works of local artists who experience mental illness and creatively express themselves through various mediums of art. The purpose of the Healing Art Show is to break down stigma surrounding mental illness. By showcasing the artistic works created by people with mental illness, we highlight the creative talents and personal strengths that far overshadow any mental illness.

Due to the global pandemic, we will NOT be hosting an opening night celebration. Instead, we will be featuring our artists virtually via social media and our website. We encourage everyone to visit the Lakeside St Coffee House during their regular business hours during the month of October to view the Healing Art Show.

Provide us with a short artist biography about your experience with mental illness and your connection to art.

Are you involved with NAMI (member, volunteer, involved with NAMI events, etc)? If so, please describe how and list the NAMI organization you are affiliated with (ex. NAMI Wisconsin, NAMI Brown, etc.)

What is your primary mental health diagnosis? Please note: we are gathering this information for demographic purposes; your answer to this question will not be part of the art exhibition or presentation.
