

Why Vote Absentee?

The Wisconsin Disability Vote Coalition encourages voters to vote absentee November 3 because of concerns about Covid-19. Some voters with disabilities prefer also voting absentee because of difficulty getting transportation to the polls, accessibility concerns, or other reasons.

Note: Wisconsin does not currently have a screen reader accessible absentee ballot. The Disability Vote Coalition is advocating for this important accessible option.

Who can assist me with absentee voting questions?

- Contact your municipal clerk for help with absentee voting and how to request a ballot. Find your clerk's information at [myvote.wi.gov/en-US/ MyMunicipalClerk](https://myvote.wi.gov/en-US/MyMunicipalClerk).
- The Disability Rights Wisconsin (DRW) Voter Hotline can assist, especially with disability related voting questions: 844-DIS-VOTE / 844-347-8683 / [email info@disabilityvote.org](mailto:info@disabilityvote.org)
- Wisconsin Elections Commission: 866-VOTE-WIS / [email elections@wi.gov](mailto:elections@wi.gov)

Who can request an Absentee Ballot?

- Any **registered Wisconsin** voter is eligible to request an absentee ballot. Your name and address must be current on your voter registration.
- Special provisions are made for hospitalized electors and sequestered jurors to request and vote by absentee ballot on election day. Contact your municipal clerk for assistance.

I want to vote absentee but I am not registered to vote

- If you are not already registered, you will need to register to vote before an absentee ballot can be sent to you.
- You may register online at myvote.wi.gov/en-us/RegisterToVote, by mail, in person at your municipal clerk's office, or at your polling place on election day.
- To register online, you need a Wisconsin driver's license or Wisconsin ID Card.
- Don't have a valid Wisconsin State ID or Driver License? Complete a registration form. Mail it to your clerk with a Proof of Residence document with your name and current address, such as a utility bill, or bank statement.

Deadlines: If you are registering by mail or online, you must register at least 20 days before the election (October 14 for the November 3 election). After this deadline, you can register at your clerk's office or at your polling place on Election Day.

When should I request my Absentee Ballot?

- Request your absentee ballot as soon as possible to ensure you receive it in time to complete and return your ballot.
- **Deadline to request an absentee ballot for November 3rd elections**
October 29th at 5 PM for regular voters October 30th at 5 PM for Indefinitely Confined voters

Although this is the legal deadline, make your request as soon as possible. After October 20th, there may not be enough time to receive and return your ballot by mail.

- **Accommodations:** If a voter needs an accommodation, such as a large print ballot, include that information on the absentee request or contact your clerk as soon as possible.

What if I always need to absentee vote due to disability, age, physical illness, or infirmity?

- If you always need to vote absentee due to disability, age, illness, or infirmity, you may certify that you are an **“indefinitely confined”** voter. “Indefinitely confined” **does not** require permanent or total inability to travel outside of the residence. The law does not require the voter to provide documentation of this status.
- An “indefinitely confined” voter will have their ballot mailed to them for each election until they don’t return a ballot. If this occurs, the municipal clerk will contact the voter to see if they want to remain on the “indefinitely confined” voter list.
- Wisconsin law exempts voters who are indefinitely confined from the requirement to provide a Photo ID.
- **How to apply to be an “indefinitely confined” voter:** Complete the absentee ballot application. Choose the “indefinitely confined” option in section 6 of the form, certifying that you are indefinitely confined, or send a request in writing to your [municipal clerk](#).

Voters who live in a Care Facility

If voter lives in a care facility such as a nursing home or group home, and does not have an acceptable photo ID, the care facility administrator can sign a special certificate (EL-122sp) to verify the voter’s identity. This certificate is available for download on the WI Elections Commission website at elections.wi.gov/forms/el-122.

Or the resident may certify they are an “indefinitely confined” voter.

Completing Your Absentee Ballot

- Complete and return your absentee ballot AS SOON AS POSSIBLE.
- Follow the instructions included with your absentee ballot. Mistakes may prevent your vote from being counted. *If you make a mistake and need a replacement, contact your clerk to request assistance.*
- You must vote your ballot in the presence of an adult witness. *The witness can be any adult US citizen except for a candidate on your ballot.* A witness can be a friend, spouse, family member, or care worker. *Contact your clerk if you have trouble finding a witness.*
- The witness must verify that you completed the absentee ballot, but because voting is a private activity, your witness cannot tell you who or what to vote for and cannot see the choices you make on your ballot.
- Use a black pen to complete your ballot.
- Put your ballot in the return envelope. Review your name and address on the return envelope to ensure it is correct.

- If you need help reading or completing your ballot or absentee return envelope, you may request assistance from anyone who is not your employer or a representative of your labor union.
- Your assistant may also serve as your witness.
- Explaining how to fill out your ballot or return envelope is not considered “assistance.”
- Your assistant must sign in the Certification of Voter Assistance section on your ballot.
- Your assistant can read your ballot to you or fill out your ballot under your direction, but cannot tell you how to vote.
- If someone signs your absentee return envelope on your behalf, make sure they also sign in the Certification of Assistant section.
- Your assistant may also serve as your witness.

Returning Your Absentee Ballot

 - **By Mail:** The U.S. Postal Service recommends absentee ballots be mailed at least one week before Election Day to arrive in time.
 - **Other delivery:** If within a week of the election, the US mail may not get your ballot there in time. You can drop off your ballot at your clerk’s office or an absentee ballot dropbox if available. Drop box locations may be listed on myvote.wi.gov/
 - **On election day:** Ask your clerk about options to drop off your ballot on election day.
 - You may ask someone else to deliver your ballot for you.
